Q. Can I rent a car in Cordova?

A. Chinook Auto Rentals is the car rental service in town: (907)424-5279

Q. May I register the day of the race?

A. Unless you are running in the marathon, yes. Registration tables will be open at the Cordova hospital parking lot on Saturday morning starting at 8:30 a.m. If you are running the marathon, the shuttle leaves the hospital parking lot at 6:20 a.m. so please be sure you have registered by 8 p.m. the day before so that the Race Director knows you need to be on the shuttle.

Q. May I change my registration from one distance event to another?

A. Yes, of course, but you need to get a different race bib for the new event. We use the numbers on the race bib to help the timers at the finish line record times for the different distance events. You may change your registration at the Bidarki Recreation Center up until 8 p.m. the day before the race, or at the race headquarters on the morning of the race any time after 8:30 and before the shuttle to your new race start.

Q. Where do I pick up my race bib and T-shirt?

A. At the Bidarki Recreation Center in Cordova, on the corner of Council and 2nd Streets.

Q. Where do the races start?

A. Race Headquarters is the Cordova hospital parking lot on Chase Ave. All the shuttles to the race starts leave from here. Runners can leave jackets or extra clothes on the shuttle bus or van, and can pick them up again at race headquarters.

Q. What are the courses like?

A. All the races are one-way courses, running from the race start toward town and the race headquarters. Except for the one-mile, there are shuttles for runners to the start of each race.

The marathon course is run half on a dirt road, and half on a paved road.

The half-marathon course is run mostly on a paved road. Both are flat, and Cordova is at sea level.

Q. Are there water stations along the course?

A. Water stations with volunteers will be located at XX, XX. For the marathoners, we'll cache water along the course to which you can help yourself.

Q. Is there a chase vehicle for the marathoners?

A. Two EMTs from the Cordova Volunteer Fire Department drive a Fire Department truck behind the last marathoner. Runners can hand off extra clothes to the EMTs,

and the truck will carry extra water. Runners can also give the EMTs their personal drinks or snacks to carry for them.

Q. When does the course close?

A. 1:30 p.m. Marathoners may finish their race after that time if they are still running, but there may not be anyone at the finish line to meet them.
